GENERAL RULES

1. All entries for the first show may be placed Wednesday, September 22 between 6 p.m. and 8:30 p.m. and on Thursday, September 23 between 8:30 a.m. and 11:30 a.m.
2. All entries for the first show must be removed between 1pm and 5pm. on Tuesday, September 28. **Nothing is to be removed before the end of the show. No Exceptions.**
3. The doors to the exhibit hall will be closed promptly at specified deadline for the show.
4. Judging will begin promptly at 12:30 p.m., Thursday, September 23.
5. Judging will be by National Garden Club Standard System of Awarding. Only one blue ribbon, 1st place exhibit 90 or above; one red ribbon, 2nd place exhibit 85 or above; one yellow ribbon, 3rd place 80 or above; and one or more white ribbons, honorable mention 75 or above, may be placed in each class or sub-class. The ribbons will be placed at the discretion of the judges, whose decision is final. Awards may be withheld if not merited.
6. There must be an emphasis on fresh plant material. No artificial plant material may be used in any division (Handbook., Pg. 307)
7. Native plants, other than those on the State Conservation List, may be used in all divisions provided such plants are labeled with common and botanical names and are grown or acquired legally by the exhibitor. The use of plants on State Conservation list is prohibited.

8. Judges are requested to sign and date all blue ribbon winning entry cards and all top award ribbons. They are requested to leave written comments on all designs and educational exhibits. Judges are requested to review the red, yellow, and white winning exhibits in design and horticulture to determine if any or all of them scored 90 or above. On any exhibit scoring in the 90's an accredited judge is to write on the reverse of the entry card "90+" and sign and date the card.
9. General show, classification, and placement chairs are required to be in attendance during judging. The classification chairman checks for conformity to the schedule. (HB p.307)
10. Marietta Council of Garden Clubs, Inc. and the North Georgia State Fair cannot be responsible for loss or breakage of exhibit materials.
11. The show is open to any amateur grower or designer, regardless of whether or not they are members of a National Garden Clubs, Inc. affiliated group.
12. The Handbook for Flower Shows, 2007 Edition, as amended in "The National Gardener", shall be used as authority in all points not covered by this schedule.

FLOWER SHOW JUDGES ARE CERTIFIED AND ACCREDITED BY NATIONAL GARDEN CLUBS, INC. AND THE GARDEN CLUB OF GEORGIA, INC.

AWARDS - First Show

National Garden Clubs, Inc., Top Award Ribbons may be given as follows when the exhibit scores 95 or more and meets all requirements stated in Handbook for Flower Shows, 2007 edition, and as amended in "The National Gardener". *In the Horticulture Division, a plant must be identified by its binomial name or its currently accepted scientific identification to be eligible for a Top Exhibitor Award.*

1. The Award of Horticultural Excellence (green, orange and blue rosette) for the finest **Named Exhibit** of fresh plant material in the entire Horticulture Division (Handbook, page 43).
2. Awards of Merit (orange rosette) for the finest named exhibits of fresh plant material in the following sections (Handbook, page 43):
 - Roses, Div. I, Sec. A, Classes 1-20
 - Bulbous Plants, Div. I, Sec. C, Classes 41-51
 - Annuals, Div. I, Sec. D, Classes 52-70
 - Perennial, Div. I, Sec. E, Classes 71-107
 - Container-grown plants, Div. I, Sec. J1 Flowering, Classes 181-196
3. Two Arboreal Awards (green rosette) for the finest named exhibit of fresh plant materials in Division I, Sections H & I (Handbook, page 43). One will be awarded to Shrubs (classes 134-167) and another to Trees (classes 168-180).

4. One Designer's Choice Award (purple rosette) for the finest exhibit in Design, Division II - Section A (Handbook, page 47), Classes 1-3, with four exhibits in each class.
5. One Petite Award (blue and white rosette) for the finest exhibit in Design, Division II – Section B (Handbook, page 49), Classes 4-6, with four exhibits in each class.
6. Award of Design Excellence (gold rosette) for highest scoring exhibit in the entire Design Division, Division II, entered by a single exhibitor. Only those exhibits that have received a Top Exhibitor award in their section may be considered. (Handbook, page 45-46).
7. Youth Award (red, white and blue rosette), Juniors pre-school through age 7; Youth Award (red, white and blue rosette), Intermediates ages 8 through 12; Youth Award (red, white and blue rosette), Advanced ages 13 through 17, may be awarded to the most outstanding youth horticultural exhibits of fresh plant material in the Division III, Special Exhibits, Section B, Youth, Classes 2-4. Winning exhibits must score 90 or more (Handbook, page 51) and be submitted by a single exhibitor.
8. The Sweepstakes Award (green and white rosette) will be given to the Exhibitor winning the most blue ribbons in the Horticulture Division. Red ribbons will be counted in case of tie (Handbook, page 54).
9. The Olen R. Morgan Jr. Horticulture Award will be given to the exhibitor winning the most Blue Ribbons in Vegetables, Fruits & Gourds and Oddities (sections L & M & N). The winner's name will be engraved on a brass plate to be affixed to the permanent award displayed at the Marietta Educational Garden Center.
10. The North Georgia State Fair Association will give a special award for all of those listed above (awards 1-8), if merited.

DIVISION I HORTICULTURE RULES

1. Entries must be accompanied by a complete entry tag showing exhibitor's full name and address. Please fill out part to be torn off. This is necessary to check ribbons when counting for sweepstakes. Horticulture entries are open to any amateur gardener.
2. Horticulture entries must be fresh plant material grown by the exhibitor and must be correctly named with its binomial name or currently accepted scientific identification to be eligible to win a top award. **Exhibitor may make more than one entry in any horticulture class, provided each entry is a DIFFERENT variety. A clean and transparent glass container, with no lettering on it, of appropriate proportion must be furnished by the exhibitor for all cut specimens. Container may be clear or green.** (Exceptions may be made for unusually large specimens as necessary for stability.) All perishable exhibits (Sections L, M & N) must be on paper or foam plate with the exception of any large items, and covered with plastic wrap or similar fly-proof material. Use a zip-lock bag whenever possible. Plates will be provided by the committee. Horticultural Committee will discard decaying exhibits as necessary.

3. All container-grown plants must have been grown by the exhibitor for at least 90 days prior to the show. Double potting is permitted. Exceptions: Combination plantings such as terrariums or hanging planters must have been grown together for at least six (6) weeks. Maximum container size is 18" in diameter.
4. Cut annuals, biennials, and perennials must have been in exhibitor's possession from seeds, cuttings, or immature plants and grown to maturity. Bulbous blooms must have been in exhibitor's possession from planting of bulb, corm, rhizome or it must have been cared for as a mature plant for at least 90 days.
5. No exhibitor may judge or clerk in any section in which he or she has entries.
6. Any plant or plants entered in one show **cannot** be entered in the other show.
7. Horticulture classes may be sub-divided at the discretion of the Classification Committee by variety and color. **Specimens must be identified by binomial name or currently accepted scientific identification to be eligible for Top Exhibitor Awards.** (Genus and species and/or variety/cultivar where available).
8. All horticulture should be well groomed (free of dust, spray residue, leaf shine, and should show no insect damage or insects). Arboreal specimens are not to exceed 30" from tip to cut end and should have several nodes and an apical tip. Wedging material may be used in the neck of the horticulture container, to hold specimens in a proper pose, and must be neat and inconspicuous. Styrofoam "peanuts", cotton, or plastic wrap may be used as wedging material. (Handbook, page 103) Cut specimens should not have foliage below the water line, with the only exception being Gladiolus.
9. Scale of Points in Handbook for Flower Shows, 2007 edition, pages 298-301 will be used in judging Division I – Horticulture, Section A-K. Div I, Sections L-N will be judged using the Scales of Points posted on the National Garden Clubs website.

SCALE OF POINTS for Sections L-N

| | |
|--|-----------|
| Plant Identification | 5 |
| Cultural Perfection | 60 |
| Condition/Grooming/Staging | 25 |
| Distinction (marked superiority in all respects) | <u>10</u> |
| TOTAL | 100 |

10. Judges are requested to sign and date all blue ribbon winning entry cards, top awards, and any entry cards for exhibits scoring 90+.
11. The use of stones or other items for stability are **not** permitted, unless approved by the Horticulture Classification Chair.
12. Marietta Council of Garden Clubs, Inc. and North Georgia State Fair cannot be responsible for loss or breakage of entry materials. Please do NOT use family heirloom containers.

ROSE SECTION RULES AND REGULATIONS

1. All amateur rose growers are eligible and invited to make entries in the show with exception of the Judges of this section and their families.
2. All roses entered for competition must have been grown in a private outdoor garden by the exhibitor. Each entry must be correctly named and classed.
3. See General Rules number one (1) for time of placement.
4. Entries in each class will be staged alphabetically according to variety. **Exhibitors may make as many entries as desired in each class, provided they are different varieties.**
5. Climbing sports of bush-type roses will be exhibited in the appropriate class for the bush rose.
6. Hybrid Teas must be exhibited **disbudded** except for Class 2. Evidence of recent disbudding will be severely penalized. If side buds are present, the entry will be disqualified. There is an exception: single type Hybrid Teas. Class 8 must be exhibited naturally grown.
7. Hybrid Teas and single bloom Grandifloras should be 1/2 to 3/4 open, with well- formed centers. Single bloom Florabundas should be exhibited in the most perfect phase of beauty for each variety, which may vary from 1/3 open to full bloom. Progressive stages of bloom are desired in sprays of Florabundas, Polyanthas and clustered Miniatures. Multiple bloom Grandifloras ideally are exhibited with each individual bloom at 1/2 to 3/4 open. Progressive stages of bloom here are undesirable and will be penalized. Climbers, Old Garden Roses, Shrub Roses, and Single Hybrid Teas should be exhibited naturally grown. Length of stem should be pleasing proportion to the size of the bloom.

DIVISION II - DESIGN
"Classics"
DESIGN RULES

1. Any amateur designer is eligible to enter the Design Division.
2. Accessories, features, backgrounds and underlays are permitted and to be furnished by the exhibitor.
3. Judges are requested to sign, date and point score all blue ribbon winning entry cards, and those scoring 90+, and comment on each design.
4. Six (6) classes with four (4) entries per class.
5. Only one (1) exhibit is permitted by an exhibitor in each class.
6. Each design must have been created and placed by one (1) exhibitor, and must not have been exhibited in previous flower shows. Exhibitor's name must appear on entry card.
7. Plant material must be listed on 3 X 5 cards.
8. **Fresh material may not be treated.** Cut fruits or vegetables must be sealed unobtrusively to discourage insects, odor, and discoloration. Only dried material may be treated to alter its exterior appearance.
9. **No artificial** flowers, foliage, fruit or vegetables are permitted.
10. Please refer to the Handbook for Flower Shows (2007 edition) for specific category criteria. This Handbook is available for reference at the Marietta Educational Garden Center Library, 505 Kennesaw Avenue, Marietta, Georgia, 770-424-3494.
11. Some plant material must be used in each design, but need not have been grown by exhibitor.
12. Religious symbols used must be displayed in a respectful manner and in accordance with policies of local religious organizations.
13. In order not to offend, American and other national flags may not be incorporated into any competitive designs, not be used as underlays, swags, or the like.
14. Landscapes or scenes are not permitted in the Design Division.
15. Living members of the Animal Kingdom are not permitted in the Design or Horticulture Division, and taxidermal representations of the same are also not allowed.
16. All designers must coordinate their entries with the Design Consultant and Entries Chair.
17. If designer is unable to fulfill assignment, it is the responsibility of the designer to provide a substitute.
