The Superior Plumbing presents North Georgia State Fair has established itself as one of the south's largest and longest running outdoor events. Annually attracting more than three hundred thousand people from the Southeast, our Fair, held in Marietta, is one of Georgia's leading fairs!

If you are looking for on-site exhibit space to engage with Fair patrons or on-site branding and logo placement we can accommodate your needs and assist you in meeting your goals.

Based upon past promotional experiences, the Superior Plumbing presents North Georgia State Fair can provide sponsors with a specific expected audience composition. For instance, the pay-one-price promotions will draw a large teen audience, whereas a Saturday morning promotion will draw families with young children. As with any state fair, there are many simultaneous events, attractions and venues from which visitors may choose at any given time or day. Often the Fair will develop a specific event or attraction, depending upon a corporate sponsor's needs.

The 93<sup>rd</sup> Annual Superior Plumbing presents North Georgia State Fair is expected to draw over three hundred thousand Fair patrons. An outstanding entertainment line-up and numerous activities for all family members tend to be the top draws. Overall, the demographics of the Fair are families with children, between \$75,000 - \$85,000+ combined head-of-household incomes, ranging in age from 12 – 54 with an average age of 36.

A record-breaking attendance seven of the last eight years is a testament to its success. Capacity crowds have produced tremendous returns for past and repeat Superior Plumbing presents North Georgia State Fair sponsors. The Fair works with each of its sponsors to develop and implement the right marketing strategies for the wide cross-section of target segments that exist during the event. Corporate objectives are matched with the appropriate event, attraction, concert, and day or evening midway promotions in order to maximize sponsorship dollars.

The Fair offers many corporate marketing opportunities that recognize the value of partnership with one of Georgia's largest and longest running outdoor events. The Superior Plumbing presents North Georgia State Fair is a true celebration of community and cultural heritage.
